FUNDRAISING IDEAS

Here are some ideas to get your rolling, but we bet you have creative ideas of your own!

ASK people – your grandma, your friend's mom, your neighbor, your barber, your second cousin, Fred, local business owners, your grandpa's pals, your sister's neighbor's daughter, etc. Ask anyone and everyone!

Use social media – Instagram it, facebook it and tweet it! Get the word out! Make sure to include the link to your personal fundraising page!

Corporate Sponsors – Toloha Partnership offers several levels of corporate sponsorship that include advertising – download and print our Corporate Sponsor Packet, and go to Walmart, Lowes, Applebee's, your dad's friend's business, your uncle's law firm, etc. and ask for the person who manages charitable giving. Do your best professional sales pitch! Bring your iPad and show the Toloha Video!

Corporate Matching – some corporations offer corporate matching; contact human re
sources to see if your corporation offers matching!

Take the Water Challenge – Drink only water and donate the money you would have spent on other beverages (just think, one less soda per day over a month could give 2 people clean water for life)! Drink water to give water.

Eat at home – Instead of going out to eat, eat at home and donate the money saved

Bake Sale – Bake some tasty treats and sell em (at church, at your office, at school...)

Time and Talents – Whatever your talents, offer them and donate any money earned (ex. babysit, clean house, wash cars, do manicures, etc)

Shave or Save – the beard or head; do a campaign where individuals must donate a cer
tain amount to cast their vote; at the end of the campaign if shave has more votes you must shave your beard or head!

Give up your birthday – instead of asking for gifts this year, ask people to give water to indi
viduals in Toloha
Yard Sell –gather your junk and your neighbor's junk and host a yard sale

Get crafty – Are you crafty? Craft away and sell what you've made!

Conserve Water – As a family, conserve water this month and see how it changes your water bill – donate the money saved

Mom's morning out – Charge per child and have parents drop their kids off for the morning

Change Jar – collect spare change daily and/or ask local businesses to put a jar at their register (ask us about available water bottles with our logo)

Benefit Meal – gather the troops to host a pancake breakfast or spaghetti dinner.

Personal vending machine: Buy some of the office favorites in bulk (or have them donated), mark them up, and sell them for $1 or $2.

Change up the Uniform – talk with your boss and see if you can change the dress code for a day in exchange for a donation (ex. Jean day if you donate $5)
